

CREATING
Aging-Friendly Communities

There was a time when communities were good places to grow old

We believe that time can come again

Please join the Denver Office on Aging, Silverpoint Colorado and
the University of California at Berkeley for a unique online experience

- ◆ *Explore* over **25 different presentations** on creating more aging-friendly communities
- ◆ *Engage* with **national experts** such as Jennie Chin-Hansen (AARP), Judy Goggin (Civic Ventures) and Jody Kretzmann (ABCD Institute)
- ◆ *Discover* what **other communities** are doing to be more aging-friendly
- ◆ *Network* to **explore and solve** your community's issues
- ◆ *Identify* **approaches** that work
- ◆ *Access* **practical tips, models, tools, and training materials**
